

SDCS Employee Recycling Contest

Mixed Paper Recycling Pledge

Please enter me in the SDCS Recycles Contest. I want to help the District recycle! I understand that SDCS can save more than 170,000 trees per year by recycling paper. **All types of paper can be recycled (spiral notebooks, folders, colored paper, cardboard, phonebooks, newspapers and magazines).** I pledge to recycle mixed paper each day in the upcoming year and help educate those around me to do the same.

This contest is open to all staff members, including volunteers, who pledge to recycle paper in San Diego City Schools facilities. Every month on the 15th, two names will be drawn from the pledge cards submitted. Entries should be mailed via inter-district mail to Recycling Office, Maintenance and Operations.
