

SIDELETTER
By and Between
THE SAN DIEGO UNIFIED SCHOOL DISTRICT
and
THE SAN DIEGO EDUCATION ASSOCIATION

January 14, 2008

This sideletter is entered into by the parties to allow a monthly salary adjustment as described below for two (2) Military Science Teacher positions at Mission Bay High School. This adjustment shall be only for the 2007-2008 school year and shall be in the amount necessary to adjust the difference between the San Diego Education Association (SDEA) Military Science Instructor's salary schedule and the federal Military Instructor's Pay schedule as described by documentation received at Mission Bay High School.

The adjustments for each of the Military Science Instructor positions are as follows:

Lieutenant Colonel - \$1,382.00 per month for 10 months

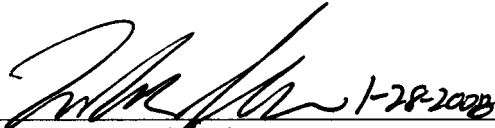

1st Sergeant - \$787.00 per month for 10 months

It is understood that beginning with the 2008-2009 school year, the pay difference will be borne by the military service agency provider and will be processed based on the current reporting and adjustment methodology employed by the District for retired military personnel in Military Science Instructor positions.
