

**SIDELETTER BY AND BETWEEN  
THE SAN DIEGO UNIFIED SCHOOL DISTRICT AND THE  
SAN DIEGO EDUCATION ASSOCIATION  
January 30, 2006**

This sideletter is entered into by and between the San Diego Unified School District (“the District”) and the San Diego Education Association (“SDEA”) to address unit members who, by virtue of their assignment, are not scheduled to be off work on February 10, 2006, for the year-round workyear or June 22, 2006, for the traditional workyear.

The Parties hereby agree that as a result of 2005/2006 reopener negotiations, the 2005/2006 workyear for unit members who are serving in K-12 positions was reduced by one (1) day effective January 1, 2006.

Unit members assigned to OCILE Programs, Balboa Park Program or Old Town Program, will be allowed to select one (1) day, from the date of this agreement until June 30, 2006, to be absent. The day of absence will be selected by unit members based on their seniority (greatest seniority having first choice). No two (2) unit members will be allowed to have the same day off without the approval of their administrator.

Unit members assigned to less than a full workyear contract shall have their workyear reduced by the proportionate amount of time.
